Helen

Note from the Inspector:

As I don't have much time before my inquiry to consider this, can the Council provide a brief summary of whether they have taken on board the comments made in the consultation responses in this further draft.

They can do this by e-mail rather than a formal letter. They should let me know which comments they have not taken on board and I can then see if that is likely to cause any further difficulties.

If I can have this by the end of today (it doesn't need to be particularly long) then I can have a look at it this evening or tomorrow morning.

Kind regards
Yvonne Parker
