

# WESTERN PARISHES WHEEL

Western Parishes Wheel 10 miles  
(16.1 kilometres)

**Please wear appropriate clothing and footwear; keep to the route and close gates. Please keep dogs under control and clean up after them. Do not leave any litter.**

**Every effort has been made to ensure the accuracy in preparing the route - the council cannot accept any liability and people using the route do so at their risk.**

With the exception of the section along Back Lane, which is a fairly substantial stone based track, the rest of the route is on tarmacked roads. Many of these roads are country lanes, that do not have footpaths, so extra care needs to be taken.

8. Turn left on to Liverpool Road & proceed along it until you reach the junction with Liverpool Old Road.
9. Turn Left on to Liverpool Old Road & proceed along it through Walmer Bridge until you again reach the main Liverpool Road.
10. Turn right & proceed along Liverpool Road until you reach Hall Car Lane.
11. Turn left & proceed along Hall Car Lane for its complete length where you will reach Marsh Lane.
12. Turn right & proceed along Marsh Lane until you reach the junction with Back Lane.
13. Turn left on to Back Lane and proceed along it until you reach junction with Shirley Lane.
14. Turn right & proceed along Shirley Lane until you reach the junction with Liverpool Road.
15. Turn left & proceed along Liverpool Road (through Longton village Centre) until you reach Moor Lane in Hutton where you will turn right.
16. Proceed along Moor Lane until its end at the A59.
17. Dismount & carefully cross over the A59.
18. Turn left & proceed along the footway until you reach the roundabout. At this point, keep left & then pick up the cycle track.
19. Proceed along the cycle track in the direction of Howick until you reach the junction with Lindle Lane.
20. Turn right on to Lindle Lane & proceed along it for its total length where you will reach the junction with Pope Lane.
21. Turn right & proceed along Pope Lane until you see Cage Lane, which is the first turning on your right.
22. Turn on to Cage Lane & proceed along it for its total length where you will reach the junction with Royalty Lane.
23. Turn right & proceed along Royalty Lane for its total length where you will reach the junction with Station Road.
24. Turn right on to Station Road & proceed along it until you reach the car park at New Longton Sports & Social Club where you will complete the route.

## WESTERN PARISHES WHEEL

Western Parishes Wheel

10 miles

(16.1 kilometres)

Please wear appropriate clothing and footwear; keep to the route and close gates. Please keep dogs under control and clean up after them. Do not leave any litter. Every effort has been made to ensure the accuracy in preparing the route – the council cannot accept any liability and people using the route do so at their own risk.

With the exception of the section along Back Lane, which is a fairly substantial stone-based track, the rest of the route is on tarmaced roads. Many of these roads are country lanes, that do not have footpaths, so extra care needs to be taken. Please note that some sections of Back Lane are likely to flood during the winter months.

The loop starts & ends at the car park next to New Longton Sports & Social Club on Chapel Lane in New Longton.

Alternatively you could start & finish the loop at the car park at Hutton Village Hall (Just follow all the directions but start from number 18).

Alternatively you could start & finish the loop at the car park at Longton Brickcroft Nature Reserve (Just follow all the directions but start from number 8).

1. From the car park, proceed along Station Road until you reach Hugh Barn Lane.
2. Turn right and proceed along Hugh Barn Lane until you reach the junction with Moss Lane.
3. Proceed down Moss Lane until its end then turn right on to Long Moss Lane.
4. Proceed along Long Moss Lane until you reach the junction with Wholesome Lane.
5. Turn right on to Wholesome Lane & proceed along it until you reach the junction with Drum Acre Lane East.
6. Turn left & proceed along Drum Acre Lane East until you reach the A59 Bypass.
7. Dismount & carefully cross over the A59 & then proceed along Drum Acre Lane West until you reach the junction with Liverpool Road.
