WE NEED YOUR HELP

Dear Resident

Chorley Council wants to hear about your experiences and views of housing in the area to ensure our future plans are based upon sound information. Consequently, we have appointed an independent organisation, **Outside Consultants**, to conduct a survey on our behalf of 6,000 randomly selected households in the Borough.

We would be grateful if you could find fifteen minutes to fill in the enclosed questionnaire that asks you about your current home, where you have previously lived, the needs of the people in your household and any intentions you may have to move. All the information you provide is **confidential** and **protected** under the Data Protection Act. Your response **will not be used to identify you** or your household and no one from the Council will see your individual questionnaire. Data from each returned questionnaire will be grouped together to present numbers and trends across the Borough.

Chorley Borough will see new housing development over the next twenty years; the information gathered from this questionnaire will help us ensure that the housing that gets built meets the needs of local people. In particular the survey will help us work out the need for new affordable housing and help secure housing for local people at affordable prices and rents.

If you need any help completing this questionnaire, call Janet Lee-Cowling at Outside on 0113 247 1471. If you wish to speak to someone at Chorley Council about the study, you can call Zoe Whiteside on 01257 515711.

Please complete and return the questionnaire even if you feel that you or your household do not have any particular housing needs and return it no later than **Wednesday 3rd December 2008** in the Business Reply envelope provided to:

Outside UK Ltd
4 Park Place
Leeds LS1 2RU

Thank you for your assistance with this important piece of work.

Yours faithfully

Zoe Whiteside
Strategic Housing Services Manager

The following questionnaire should take about fifteen minutes to complete. Most of the questions are about your **household**. A household comprises either one person living alone or a group of people (not necessarily related) living at the same address with common housekeeping – that is sharing at least one meal a day or sharing a living/sitting room. The head of household or his/her partner should complete the questionnaire.

Everything you say is confidential. We will not use your answers to identify you or your household. Please answer every question, where applicable, and choose one answer only, unless instructed otherwise. Indicate your choice by circling the number that corresponds with your answer.

Thank you for taking the time to complete this questionnaire. Please return it in the envelope provided by 3rd December 2008.

WE NEED YOUR HELP

Dear Resident

Preston City Council wants to hear about your experiences and views of housing in the area to ensure our future plans are based upon sound information. Consequently, we have appointed an independent organisation, **Outside Consultants**, to conduct a survey on our behalf of 6,000 randomly selected households in the City.

We would be grateful if you could find fifteen minutes to fill in the enclosed questionnaire that asks you about your current home, where you have previously lived, the needs of the people in your household and any intentions you may have to move. All the information you provide is **confidential** and **protected** under the Data Protection Act. Your response **will not be used to identify you** or your household and no one from the Council will see your individual questionnaire. Data from each returned questionnaire will be grouped together to present numbers and trends across the City.

Preston will see new housing development over the next twenty years; the information gathered from this questionnaire will help us ensure that the housing that gets built meets the needs of local people. In particular the survey will help us work out the need for new affordable housing and help secure housing for local people at affordable prices and rents.

If you need any help completing this questionnaire, call Janet Lee-Cowling at Outside on 0113 247 1471. If you wish to speak to someone at Preston City Council about the study, you can call Mary McBride on 01772 906356.

Please complete and return the questionnaire even if you feel that you or your household do not have any particular housing needs and return it no later than **Wednesday 10th December 2008** in the Business Reply envelope provided to:

Outside UK Ltd
4 Park Place
Leeds LS1 2RU

Thank you for your assistance with this important piece of work.

Yours faithfully

A handwritten signature in blue ink that reads "M. G. McBride".

Head of Housing Strategy & Enabling

The following questionnaire should take about fifteen minutes to complete. Most of the questions are about your **household**. A household comprises either one person living alone or a group of people (not necessarily related) living at the same address with common housekeeping – that is sharing at least one meal a day or sharing a living/sitting room. The head of household or his/her partner should complete the questionnaire.

Everything you say is confidential. We will not use your answers to identify you or your household. Please answer every question, where applicable, and choose one answer only, unless instructed otherwise. Indicate your choice by circling the number that corresponds with your answer.

WE NEED YOUR HELP

Dear Resident

South Ribble Borough Council wants to hear about your experiences and views of housing in the area to ensure our future plans are based upon sound information. Consequently, we have appointed an independent organisation, **Outside Consultants**, to conduct a survey on our behalf of 6,000 randomly selected households in the Borough.

We would be grateful if you could find fifteen minutes to fill in the enclosed questionnaire that asks you about your current home, where you have previously lived, the needs of the people in your household and any intentions you may have to move. All the information you provide is **confidential** and **protected** under the Data Protection Act. Your response **will not be used to identify you** or your household and no one from the Council will see your individual questionnaire. Data from each returned questionnaire will be grouped together to present numbers and trends across the Borough.

South Ribble will see new housing development over the next twenty years; the information gathered from this questionnaire will help us ensure that the housing that gets built meets the needs of local people. In particular the survey will help us work out the need for new affordable housing and help secure housing for local people at affordable prices and rents.

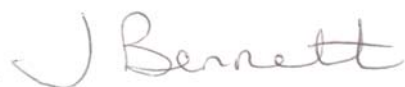

If you need any help completing this questionnaire, call Janet Lee-Cowling at Outside on 0113 247 1471. If you wish to speak to someone at South Ribble Borough Council about the study, you can call Ian Ferris on 01772 625361.

Please complete and return the questionnaire even if you feel that you or your household do not have any particular housing needs and return it no later than **Wednesday 3rd December 2008** in the Business Reply envelope provided to:

Outside UK Ltd
4 Park Place
Leeds LS1 2RU

Thank you for your assistance with this important piece of work.

Yours faithfully

Jan Bennett
Housing Services Manager

The following questionnaire should take about fifteen minutes to complete. Most of the questions are about your **household**. A household comprises either one person living alone or a group of people (not necessarily related) living at the same address with common housekeeping – that is sharing at least one meal a day or sharing a living/sitting room. The head of household or his/her partner should complete the questionnaire.

Everything you say is confidential. We will not use your answers to identify you or your household. Please answer every question, where applicable, and choose one answer only, unless instructed otherwise. Indicate your choice by circling the number that corresponds with your answer.
